

Building a Website

Without Breaking the Bank

Your Website's Power

“Most of us don't have millions to spend on a marketing campaign, but that's okay. These days we can get serious traction just by paying attention to our digital presence. A great digital presence starts with a clear and effective website.”

— Excerpt from "Building a Storybrand" by Donald Miller

Key Site Elements

Domains

CMS & Site Builders

Hosting

Domains

- Choose a domain that is short, memorable and relevant to your branding.
- Consider purchasing more than one domain.
- While some site builders allow you to purchase a domain through them, it can be cheaper to purchase through a domain registrar.
(Ex. Namecheap, GoDaddy, etc.)
